DETAILED ACTION

Applicant's cancellation of claims 9-10 and amendments of claims 3, 15, 25, 27 and 30, filed February 28, 2005, have been entered.

Examiner notes that the copy of claim 27 in the amendment of February 28, 2005 is not complete. There is no number 27 and the claim has parts missing. Please see Examiner's Amendment below, which is merely a repetition of claim 27 as originally presented.

Claims 1-8 and 11-31 are pending.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kenyon Schuett on April 13, 2005.

IN THE CLAIMS:

Claim 23 was amended as follows:

Art Unit: 1638

-- 23 (CURRENTLY AMENDED) The rice plant of claim 22 wherein the transgene confers [a trait selected from the group consisting of] increased amylose starch. --

Claim 27, page 5 of the amended claims filed February 28, 2005, was amended as follows:

-- 27. (CURRENTLY AMENDED) The plant of claim 26 wherein the desired trait is herbicide resistance and the resistance is conferred to an herbicide selected from the group consisting of imidazolinone, sulfonylurea, glyphosate, glufosinate, L-phosphinothricin, triazine and benzonitrile. --

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Claims 1-8 and 11-31 are deemed free of the prior art, given the failure of the prior art to teach or reasonably suggest a rice inbred line with the complete genetic complement and morphological trait collection exhibited by rice inbred line R031001.

REQUIREMENT OF ALLOWANCE UNDER 37 CFR 1.801-1.809

The Deposit Statement on page 7 of the amendment of February 28, 2005 is deemed in accordance with 37 CFR 1.801-1.809. Since the application is otherwise in condition for allowance except for the needed deposit of seed, and since the Office has received written assurance that an acceptable deposit will be made on or before payment of the issue fee, the Office is authorized to mail Applicant a Notice of

Art Unit: 1638

Allowance and Issue Fee Due together with a requirement that the needed deposit be made within THREE (3) MONTHS of the mail date of this letter (see 37 CFR 1.809(c)).

As set forth in 37 CFR 1.809(c), Applicant is required to deposit 2500 seeds of the claimed plant within THREE (3) MONTHS of the mail date of this letter; thus the time for making the deposit is on or before the payment of the issue fee. Although the time period for paying the issue fee cannot be extended, the time period for satisfying the deposit requirement may be extended under the provisions of 37 CFR 1.136.

Failure to make the needed deposit of 2500 seeds will result in abandonment of the application for failure to prosecute.

Applicant is reminded that once the deposit of seed has been made, information regarding the date of deposit, description of the deposited material including number of seeds deposited, name and address of the depository, and the accession number must be added to the specification in order to comply with 37 CFR 1.809(d). In addition, the claims must be amended to replace the blank " " with the appropriate Accession Number. Amendments to the specification and the claims should be submitted before the payment of the issue fee as an Amendment After Allowance under 37 CFR 1.312. If the amendment is received after the payment of the issue fee, the same should be made under the provisions of 37 CFR 1.312(a) and a petition filed under 37 CFR 1.183 to waive the requirement of 37 CFR 1.312 that the amendment be filed before or with payment of the issue fee; that is, it must be accompanied by a fee in accordance with 37 CFR 1.17(i) and a petition which includes a "showing of good and sufficient reasons

Art Unit: 1638

why the amendment is necessary and was not earlier presented, and why justice requires waiver of the rule.”

Conclusion

Claims 1-8 and 11-31 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
